Now is your opportunity to be a part of the fastest-growing youth sports program in Placer County!

The Twelve Bridges Jr. Rhinos Football and Cheer program was established in 2023 as a non-profit 501c3 feeder football and cheer program for Twelve Bridges High School. The Jr. Rhinos began their Inaugural 2023 Football Season in August 2023 with 4 teams in 2nd through 8th grade as a part of the Sierra Athletic Conference in the Pacific Division. The Jr. Rhinos finished their inaugural season sending their Jr. Pee Wees to the Championship game and Jr. Midget team to the 2nd round of playoffs!

This year we are excited to announce that the Jr. Rhinos will be adding Cheer to our program in February 2024 with the addition of Stunt in the 11U & 14U age groups. The 2024 Inaugural Sideline Cheer Season will begin in August 2024 and will provide opportunities for youth ages 6-14 to compete in cheerleading at a competitive level. Please join us in welcoming our cheerleaders to the field and a part of the Twelve Bridges Jr. Rhinos Family with your very generous sponsorship!

Message from our President

We can't believe we are finished with our inaugural football season! In 2022, the Jr. Rhino's started with 4 board of directors and a dream to create a successful youth program in Lincoln to be a football & Cheer feeder program to the newly opened Twelve Bridges High School. In partnership with our community and selfless board members, we have created a wonderful youth program that is focused on developing our children to compete in football, sideline and competitive cheer and STUNT the sport – one of the fastest growing female sports in the country. As we begin preparing for our second football season, we are excited to announce that we are forming our 2024 STUNT and sideline cheer program. What many don't realize is the Jr. Rhino program is funded by donations from our community. We need to raise money to ensure all of our athletes are outfitted in the safest equipment available. From helmets and shoulder pads to cheer mats and spring floors – we want the best for our children! I would like to thank you for your support of the Jr. Rhino's Football and Cheer program. Please consider being a partner with us as we continue to build our legacy in Twelve Bridges.
